## ADDITIONAL INFORMATION

- All charges are billed in Great British Pounds Sterling (GBP), and are subject to VAT at the current rate, where applicable
- Screening, standard airline transfer and storage services are billed based on the Chargeable Weight in kg, which is the greater of the actual and volumetric weight (Length x Width x Height (in cm) / 6000)
- Unless otherwise arranged, a GRN is provided for all freight arrivals (as day1), then: 5 days of storage are included for exports; storage becomes chargeable from day 6  
3 days of storage are included for imports; storage becomes chargeable from day 4
- Storage is charged per week, or part thereof
- Maximum weight/dims per piece for X-Ray are 3000kg/250cm long x 180cm wide x 180cm high. ETD/FREDDS will screen larger pieces, subject to access
- Screening services are charged only as per the final method used
- Pre-Alerts must be provided for all shipments arriving for screening, or drivers risk being turned away
- Cut-offs for standard screening/delivery: Pre-Alerts: 16:00 / Docs & Freight arrival: 17:00
- Standard airline delivery is to LHR sheds, before 06:00 on the morning after screening
- Earlier airline cut-off times and other airports can be accommodated with prices on request
- Express screening can be provided on a while-you-wait basis, subject to your Regulated Agent status or a signed Haulier Declaration with supporting drivers' documentation
- Our cut-off for standard LHR import collection bookings for shipments requiring collection before midnight is 15:00. Other bookings are only arranged on the same day as specials with prices per vehicle as per page 1, or on request for larger/specialist vehicles
- Out of hours charges are made for customs clearances made between 19:01-07:59, Monday to Friday and all hours Saturday and Sunday, in addition to clearance charges
- Certain airfreight transit sheds may apply additional charges that fall outside the scope of our published Rate Card. In such circumstances, they will be passed on accordingly
- Where shipments of 10 or more loose pieces are to be delivered to or collected from airline sheds, a £10 per pallet (required for transport) fee will be charged where the customer does not provide a suitable pallet for exchange
- All cargo is deemed Stackable unless pre-arranged otherwise. Non-Stackable cargo must be tendered with clear labelling or cones on each piece
- Shipments with HAZ aware requirements carry a £20 surcharge. Shipments requiring an ADR qualified driver for Dangerous Goods are subject to quotation
- False call charges at airline sheds: Import collections: the full job rate, plus any waiting time for dedicated vehicles. Export deliveries: the full job rate, including screening, plus any waiting time for dedicated vehicles
- Airline shed re-deliveries on overnight service: £15 min, or £0.05/kg. Re-deliveries on express: as per the original vehicle rate, plus any waiting time
- For failed off-airport collections, the full rate will apply. For failed off-airport deliveries, the full rate plus 50% will apply, unless via the pallet service (see the separate service guide)
- Export shipments tendered to us with insufficient/unsuitable packaging/damage may be rejected for screening and airline delivery services.

If you need anything not covered above, just ask!
