ADDITIONAL INFORMATION

- All rates are billed in Great British Pounds Sterling (GBP), and are subject to VAT at the current rate
- All services billed by weight are based on the Chargeable Weight, which is the greater of the actual and volumetric weight
- Volumetric weight in kg is calculated: Length x Width x Height (in cm) / 6000
- Pieces with any dimension greater than 200x100x170cm are considered Out of Gauge and are serviced by quotation
- Maximum weight/dims per piece for X-Ray are 3000kg/180cm wide x 180cm high. Larger pieces will be subject to ETD/FREDDs
- Shipments failing X-Ray will only be charged as per the final secondary method used
- Screening rates include standard airline delivery at LHR
- Standard airline delivery is before 06:00 on the morning after screening. Earlier airline cut-off times can be accommodated with prices on request
- Our cut-off for standard import collection bookings for shipments requiring collection before midnight is 16:00. Later bookings are only arranged as specials with prices on request
- Out of hours charges are made for customs clearances made between 19:01-07:59, Monday to Friday and all hours Saturday and Sunday, in addition to clearance charges
- Import collections that are returned to our warehouse and rates include the first 24 hours here, after which storage rates will apply
- Certain airfreight transit sheds may apply additional charges that fall outside the scope of our published Rate Card. In such circumstances, they will be passed on accordingly.
- All cargo is deemed Stackable unless pre-arranged otherwise. Non-Stackable cargo will require quotation according to the specific requirements and must be tendered with clear labelling on each piece
- Shipments with HAZ aware requirements carry a £20 surcharge. Shipments requiring an ADR qualified driver for Dangerous Goods are subject to quotation
- False Calls for airline shed collections/deliveries, will be charged as per the chargeable weight. For off-airport collections/deliveries, a surcharge equaling the full delivery rate will apply for the return journey, in addition
- Where shipments of 10 or more cartons are collected loose from the airline shed, there will be a pallet rate of £10 per pallet charged where the customer does not provide a suitable pallet for exchange
- Export shipments tendered to us with insufficient/unsuitable packaging/damage may be rejected for screening and airline delivery services
- Warehouse Storage rates cover a period of a week or part thereof. The maximum weight/dims per pallet are 1000kg/120x100x180cm. Rates for heavier and larger pieces are available on request.

If you need anything not covered above, just ask!
